The Dimmer VIEW

By MAX GOODWIN

I can't conscientiously endorse the Grossmont Hospital District money election scheduled for Tuesday because of a state law.

It is the law which allows a hospital district, and an irrigation district under some circumstances, to spend tax money in closed bids. Assemblyman Sheridan Hegland has assured me he will attempt to change th is law.

Whenever a school district spends more than $2,000, notice of the job must be made and public opening of the bids must be held.

Not so with a hospital district. The Grossmont Hospital District may, as it did in the instance of the original structure, choose whatever firm they wish to do the job, and they may pay up to whatever money they have available to get the job done.

A million and a half bucks is a wad of tax dough to spend without ascertaining whether or not the money is being spent fairly and wisely. The recognized way of doing this is to put the project up to public bid.

The present structure is attractive.

It possibly was built economically.

The proof of economy is in in public bids!

If you like boredom, stay off the school board.

Things have been popping both here and in El Cajon during the past few weeks to the point that nobody sleeps while the boards are in session.

In El Cajon there is a hassle under way between some teachers and the administration because of administrative policies. Several teachers resigned and the issue has been dumped in the laps of the El Cajon school board.

In Lemon Grove, it's the other way around. The board is upset by political activities of some of the district's personnel . . . and I think the board is off base.

Local feud is centered around a two page pamphlet which some of the school personnel is accused of producing in connection with last month's school election in which Bert Betts, incumbent, was defeated.

Betts reacted strongly to his defeat and attacked the pamphlet and its producers. Most of the board lined up with Betts. I suspect Betts realized well the implication of the loss in relation to his coming race as state controller. His opponent, yet to be named, will certainly use this loss as effective political ammunition.

Aside from the political connotation it is not unusual for placerunners to raise a hue-and-cry when the race is over. In the business of newspapering we have heard the loser's sad story at the conclusion of nearly every contest. Elsewhere in this issue is a letter-to-the-editor concerning a "Miss Lemon Grove Contest" which is a case in point.

Betts read a 45 minute denunciation of the two page pamphlet

LETTERS TO THE EDITOR

Dear Editor:

I am writing this letter in connection with the recent "Miss Lemon Grove Pageant and Contest," held Saturday. The committee for this contest apparently ignored the official rules and regulations set forth, causing much ill feeling.

Each girl entering this contest was to agree to the following; which I quote. "Entrant's age on April 30, 1957, shall not be less than sixteen nor more than twenty-five years." "Remember the closing date for entries is May 25, 1957."

My complaint is, why did this committee not abide by these rules and regulations? Why did they make such rules and regulations and discard them without public notification?

I have along with many other parents through our home, school, church, and community stressed that our youngsters be

HOSPITAL DISTRICT TO VOTE TUESDAY ON $1½ MILLION PROJECT

Residents in the Grossmont Hospital District will vote Tuesday on whether to authorize the board of directors to use $437,500.00 currently in the hospital's cash balance toward the financing of the construction of an addition to the present 105 bed facility. Addition will handle 143 more beds and cost $1½ million.

Voting places will be established at 52 locations in the 700 square mile district. They will be open from 7 a.m. to 7 p.m.

In Lemon Grove voting places will be:

A Garage at 7220 San Miguel. San Miguel Elementary School; A Store Bldg. at 7971 Broadway; Carpet Cleaners at 3445 Massachusetts; A patio at 2121 Englewood; VFW Kitchen at 3928 Loma Alta Drive.

The Grossmont District last week was listed by the State Department of Health as one of 19 hospitals having a high priority rating for Hill-Burton Act funds, supplied by the state and federal agencies to districts having great need for hospital beds.

Louis M. Peelyon, Hospital Administrator, said that the district's growth in the past five years has been at the rate of approximately 20,000 people per year. The growth has caused Grosmont to be operating at a dangerously high percentage of its occupancy, Peelyon said.

On the basis of the standard 3-bed requirement for each 1,000 people, the district currently needs at least 450 beds, he said.

Peelyon said that the Grossmont board has no assurance that the district will get the higher priority ratings, may have plans and finances ready to qualify ahead of this district.

Peelyon said that the district will get the Hill-Burton funds, however, only if the district can match one-third of the required financing with the one-third state and one-third federal funds.

The Grossmont District now has a balance of $134,893.54 in the bond fund. This was money saved from the $800,000 in bonds voted in 1954 to construct the present building, Peelyon said. The current facilities were built at a cost of $16,000 per bed, the lowest for any Grade A hospital under the Hill-Burton program at that time, he said.

The special election is being held Tuesday because the board may not spend maintenance and operation money for construction purposes without the majority approval of the voters.

Peelyon has told the directors that the transfer of such funds can be made without crippling the hospital's operating budget.

MISS MUELLER

Sharon Renee Mueller, 15, 1735 Dayton Drive, was chosen Miss Lemon Grove Saturday night at a contest sponsored by the Lemon Grove Junior Chamber of Commerce.

Sharon, a Grossmoot High School sophomore, will reign as queen at the Jaycee's Rodeo July 13-14 at St. John of the Cross Church in Lemon Grove.

She is the daughter of Mr. and Mrs. George Mueller. Vernal Wilkinson was queen committee chairman.

Carol Lee Randall, 17, and Cynthia White, 16, both of Helix finished second and third, respectively.

BAXTER

The City of Coronado is playing host to the Lions' District Convention Friday, Saturday and Sunday. Activities planned for the visiting Lions include a golf tournament at Mission Valley Country Club, a moonlight dance and boat ride on the bay; a trip to Caliente hosted by the Lions Club in Mexico; a fashion show for the Lions' ladies, and an all star review at the Hotel del Coronado on Saturday evening. Highlight of the convention will be the election of a new district governor on Sunday morning. The leading candidate is C. Forrest Baxter of Lemon Grove. Lion Baxter is a Past Deputy District Governor of the San Diego Region, and he has served as President of the Lemon Grove Lions Club and as zone chairman of the South San Diego Region.

GROVE GIRL GETS 4th PLACE IN 'FAIREST' CONTEST

Ellen Marie Emig, 18, of Escondido, was named Miss Fairest of the Fair Sunday. Patsy Hobbs, 19, of Carlsbad was second, and Dee Barlow, 20 of San Diego was third.

Lemon Grove's Fairest, Sharon Cassell, 17, 1618 Colfax Avenue took fourth place prize.

Sharon was chosen winner from among a group of six young ladies who contested for the title of Miss Lemon Grove Fairest-of-the-Fair a week earlier in a competition sponsored by the L.G. Lions Club.

Demos To Hear Labor Official

The second of a series of talks on topics of general and timely interests is being scheduled by the Lemon Grove Democratic Club on Friday at 8 p.m. The his subject, "The Crisis in Labor." The president, Mrs. H. J. Warner, will preside. The talk, which will be followed by a question and discussion period in which anyone may join, will take place in the home of Mr. and Mrs. Ted Nachison, 6683 McArthur Drive. The public is cordially invited.

Mr. Stone, who has been an official in the International Association of Machinist for the past four years, is his union's business manager at Convair. He is thoroughly conversant with the broad field of labor-management problems, having occupied several important posts in organized labor during 7 years; consequently, his talk may be expected to be illuminating as well as timely.

GIRL SCOUT SAVES BOY, LOSES HER PAJAMAS

Bonnie Graham, 15-year old Hoover High School sophomore, a Girl Scout leader, wearing pajamas, dived into a 30-ft. deep brackish pond early last Sunday morning and rescued a 9-year-old Cub Scout, Tommy McClure, son of Mr. and Mrs. Jim McClure, 8144 Roy St., Lemon Grove, who was about to go under for the last time when his rescuer pulled him out of the green-slime covered pool. The dramatic affair took place at the Action Ranch, nine miles east of Ramona.

Bonnie, a member of Girl Scout Troop 86, East San Diego, was acting as a leader with Spring Valley Intermediate Scout Troop on a camp-out at the ranch.

Bonnie reported she was lying awake at 6 a.m. when she heard a scream. "I didn't know who it was nor what was the matter. I just ran toward the scream, about a block away. I saw this dirty pool lying below the bank about 15 feet down, with a hand sticking above the slime-covered water. I don't know how I got down the bank, but I did and dived in and came up under the boy."

Bonnie said her pajama pants came off when she dived into the 39 ft. deep pool.

After the rescue a gallant youth took off his shirt, which Bonnie wrapped around her while she rescued her night attire.

FIRE DESTROYS ADAMS ST. HOME

The home of Andrew Jensen was destroyed by fire Monday morning when the 51-year-old building at the corner of Washington and Adams caught fire.

No one was injured in the blaze and the scores of animals and birds Jensen keeps on the premises escaped harm.

Blazes were seen curling thru the roof at 8:30 a.m. by Jensen's neighbor, Mrs. Walter Denlinger who lives at 8256 Adams. She called the fire department and the blaze was brought under control at 8:50 a.m.

Fire Department says blaze resulted from overloaded and defective wiring. Firemen say Jensen's boarders had hi-fi and TV equipment hooked up to an outmoded electrical system and the load became too heavy. The equipment, as well as the house furnishings were lost in the blaze.

Firemen answered a Monday night call to the Real Ice Cream parlor at 3435 Imperial Avenue where a refrigerator motor was burning. An ejector had to be used to pull out the smoke. Firemen broke in the front door to gain entrance.

A shed on the property of A. R. Thompson, 7082 San Miguel burned Monday. Damage was not estimated.

Clothes and a chair went up in blazes at the home of Evylin Voosen, 3479 Citrus Street, Tuesday when an electric dryer was left on near the device. Loss was estimated at $30.

4 Defy School Board In Election Brawl

MASON QUITS OVER MEETING CONTROVERSY

An attempt by members of the Lemon Grove School board to place four of the school system's personnel under oath for a "third degree" pertaining to school board election practices was scuttled last week when one of the employes ran up an SOS for her attorney.

It also brought about the resignation of Channing P. Mason, veteran school board trustee.

Counsel was V. J. Dorman, himself a former school board member who threatened action under the provisions of the Luckel Act which makes secret meetings illegal.

Personnel involved were Mrs. Marian Batchelder, secretary at the Vista La Mesa School; Louis Robinson, teacher at the same school; Anne Espe secretary at Monterey Heights School and Rick Stammerjohn, teacher at the same school and president of the Lemon Grove Teachers Club.

They said they had been invited by Byron Netzley, school superintendent, to attend the meeting which was to have been a "friendly and co-operative" get-together to smooth out the differences resulting from last month's school board election in which the incumbent Bert Betts was defeated by a teacher's group candidate, Harry Buckner, 570 votes to 417.

When the four people appeared as requested they were for the first time informed that they would be placed under oath and required to "testify" in the presence of a court stenographer who had been acquired by board member Frank Armstrong. They were also informed that they would testify singly in the board room with the rest of the "witnesses" being kept in another room.

Board Chairman Channing Mason, at this point objected to the formal type of action. He claimed he had been told by other board members that this meeting would be "informal" and had so informed Superintendent Netzley. He turned the meeting over to Armstrong because of legal questions involved in the get-together, he said.

It was during this part of the meeting that Mrs. Batchelder "retired" long enough to telephone her attorney, V. J. Dorman and he arrived within minutes. He threatened legal action against the board and a witness said that the meeting fell apart so suddenly, and board members left so hurriedly, that no one adjourned the meeting.

The meeting had been called to question school personnel about their part in the election which unseated Betts in a race which most persons thought would have been an easy Betts victory.

Betts became angered by what he described as an "underhanded" attack on his reputation in a printed "fact-sheet" which was made up by the opposing group. He read a 45 minute statement at the last (May 27) board meeting. He "objected strenuously" to the opposition's campaign tactics, claimed teachers had been unprofessional and called the material "lies." He also labeled a "lie" an article carried in this newspaper in early April quoting Betts as saying he was too busy (at the time of the interview) to have studied a teachers' salary schedule.

At this meeting Armstrong backed Betts and scored members of the administrative staff. He said the attack on Betts was "reprehensible" and added that the administrative staff must learn to accept decisions of the board.

Betts, prior to his defeat had filed his intention to run as Democratic candidate for the office of state controller. He had also run for and was elected to the County Democratic Central Committee. The school board race was the first political loss he has suffered.

Chairman Mason said that Armstrong had contacted board members to arrange an "executive session". Mason in turn requested Netzley to notify personnel involved to attend the session which he was told would be conducted in an atmosphere of friendliness.

Netzley said "executive sessions are held without notifying the press when the matter concerns the hiring or firing of personnel." This newspaper was not officially notified of a meeting. He said the assurance he got

COLLEGE GROVE CENTER PREVIEW READIED

Initial phase of the construction stage of the 14 million dollar College Grove Center is about ready to begin it was announced this week by George Scott, president and general manager of Walker Scott Company, a San Diego department store.

Toward this end two receptions are planned for issuing a progress report on the regional shopping center that will be constructed at the intersection of College Avenue and the Lemon Grove Freeway.

Receptions will be held Wednesday, June 12 at the U.S. Grant Hotel.

On display for the first time will be a scale model of the shopping center encompassing 62 acres, containing more than 90 stores, and providing parking space for 5300 cars at one time.

Being invited to the preview parties at which time a target date for ground-breaking is expected to be announced, are community leaders from various walks of life.

Hosts will be George A. Scott, originator of College Grove Center; Michael C. Birnkrant, major owner and developer; and Phillip Lyon, leasing agent. Birnkrant, and Lyon reside in Los Angeles. Scott said the Walker Scott Company branch store in the center will be half again as large as its downtown store at the city's busiest intersection.

More than 1,000 persons are being invited to the morning reception from 10 to 11:45 o'clock. Also during this period all of Walker Scott's more than 500 employes will be given time off from work to view the model. Refreshments will be served and guests will be given an opportunity to get acquainted with Birnkrant and Lyon.

The second preview will be held from 4 to 7 p.m. for media representatives and more business and civic leaders.

"The purpose of the reception is to enable community leaders to get a preview of what is destined to be one of San Diego County's showplaces and to meet the men responsible," Scott said.

"College Grove Center is located in the heart of the fastest growing area in the fastest growing city in the nation. It will be a complete, integrated, one-stop shopping center affording all the facilities found in downtown shopping districts."

Larry Priddy, executive manager of the Coronado Chamber of Commerce which is sponsoring this year's parade, said the silver trappings of horsemen and their mounts are valued at more than a half-million dollars.

The San Diego Regional Chapter of the Horseless Carriage Club of America will enter several antique cars in the event.

Monte Hall, well-known TV Western star, also will be in the parade.

Four Defy School Board

(Continued)

from the board that the get-together would be "informal" led him to rule out a "meeting" in the true sense of the word.

He said he was greatly distressed when the board demanded the employes go under oath, and by the presence of a court stenographer.

Frank Armstrong said the meeting was called to investigate the reports that there had been political activity by the school employes on school property and during school hours at two of the district's schools.

The investigation, he said, was to determine what action, if any, should be taken. This, he said, could include dismissal of employes.

Section 54957 (1953) Government Code Chapter 9 has this to say about meetings.

"Nothing contained in this chapter shall be . . . prevent . . . (school boards) . . . from holding executive sessions to consider the EMPLOYMENT or DISMISSAL of . . . employee or to hear COMPLAINT OR CHARGES brought against . . . employee by another public officer, person or employes unless . . . (they) . . . request a public hearing. They (school board) may exclude from such public or private meeting, during the examination of witness, any or all other witnesses . . . (Caps ours).

Bert Betts, around whom the controversy is raging said "I have no comment to make."

Other board members are Bert Cosby and Robert Brown.

Mason said "It was my feeling that the executive session of the School Board to which certain personnel were invited was a necessity in order to clarify certain reports, the Board had regarding political activity on school property before and during the last Trustee election. The meeting was called by me at the request of the Board.

"Such a meeting has been held since the election and all 5 of the school principals, the superintendent, assistant superintendent, and all board members were there. The success of the meeting was evidenced by the statement of one of the principals who at the close of the meeting said 'Such a type meeting should be held often in order to promote better understanding of mutual problems common to Board members and Administrative personnel.'

"The fact that the atmosphere prior to the start of the last meeting took on the appearance of a formal courtroom trial was an eventuality that at least one other Board member and myself considered—at the very least—in poor taste.

"It is not my intention to shift the blame for such a performance to anyone else. As Chairman of the Board who called the meeting I accept my share of the responsibility. The one important fact is that harmony and unity of purpose be maintained between the Board, Administration, Teachers and the Community. This business of operating a successful school system is a big job and by the very nature of its makeup demands confidence and understanding.

"We have a truly fine school system headed by an excellent School Administration and while problems and disagreements will arise, they must not be allowed to become bitter and vindictive.

"Today (Tuesday) I submitted my written resignation to the Board. I will, of course, continue to support our schools but I think this is the wise choice in view of what has occurred."

FOUR MORE PATROLMEN FOR LOCAL ROADS

By H. A. THOMAS

Four new Highway Patrolmen have been assigned to the San Diego area, effective May 29, according to word received from Capt. R. Gautsche of the San Diego Division, last week.

The four are J. E. Halley, E. E. Nunnery, D. W. Patridge, and R. B. Sipes.

It is planned that two additional patrols will be instituted in the Lemon Grove, La Mesa, Bonita, Lakeside and Santee area on a seven day week basis. The report stated that this area has increasingly become more important from the traffic accident standpoint and it is hoped that the additional officers assigned will level out the increasing accident picture.

The map at the San Diego headquarters shows that the Lemon Grove area is still one of the worst spots in the county for accidents. There is no doubt that traffic has increased at a terrific pace the past few months. The map also pinpoints several accidents in the Spring Valley area, particularly in the area south of Troy Street. Sweetwater Avenue is carrying a heavy load at this time.

There are to be four officers assigned to the east of town on a 24-hour basis, one officer north of Highway 80 and one south of Highway 80, both during the daytime, and two other officers in the same areas at night.

It might be well to mention that the intersection of Palm Avenue and Highway 94, just off the new freeway, is getting its share of minor crashes, nothing serious as yet, but never-the-less bothersome to both the motorists and Highway Patrolmen. It is only a matter of time until there will be a serious accident at that intersection. It seems many motorists get confused as to which way to turn when approaching the freeway, and many are careless about stopping at the boulevard stop.

It is not for us to say if the state engineers made a "boo boo" when they constructed that particular bit of road, but something should be done to straighten out matters. State highway engineers have been seen on the spot a couple of times looking it over. It's more serious than meets the layman's eye.

MRS. FIREBAUGH HONORED BY VOGUES

Mrs. David Firebaugh was honored at a luncheon held at the home of Mrs. Thomas Duffner, Jr., last week by the executive board of the Vogue section of the Lemon Grove Women's club. Mrs. Firebaugh, who is a charter member of this evening group, is leaving Monterey Heights where she has been a resident for 8 years.

The Firebaughs will make their home in Berkeley, where Mr. Firebaugh will serve as instructor for the U.S. Navy.

Mrs. Firebaugh has been an active member of the Monterey Heights P.T.A., and a Campfire Girl leader.

They have 2 children, Peggy 10 and Clare 11 months.

Alphonzo Bell To Be GOP Speaker

LA MESA (Special)—Alphonzo E. Bell, Chairman of the Republican State Central Committee, will be the principal speaker at the June 12 meeting of the La Mesa Republican Club, it was announced by Mrs. Pearl Mosier, club president. She said the meeting will be held at the Kissell House, 7353 El Cajon Blvd., La Mesa, and will be a dinner rally. The dinner will be served at 7:00 p.m. and will be preceded by a 6:30 business meeting.

Plans for the program were prepared at a club board meeting held Friday at her home, Mrs. Mosier said. Those attending the meeting were Mrs. Mosier; Dr. Edward E. Smith, vice-president; Mrs. A. F. McClellan, treasurer; Mrs. H. C. Webber, publicity chairman; Mrs. William Shearer, legislative chairman; and William K. Shearer, executive director for the San Diego County GOP Central Committee.

Participating with Bell in the program will be Dr. Frank Lowe, Chairman of the County Central Committee; Hon. Charles K. Fletcher, Chairman of the GOP Finance Committee of San Diego County; Admiral Leslie E. Gehres, Chairman of the Republican Budget Committee; and Bill Shearer. Fletcher is tying the appearance of Bell in with the launching of the party's annual $100 fund raising dinner. Fletcher said he will launch ticket sales for the dinner at the La Mesa meeting on June 12.

Dinner reservations are $2.50 a person, and may be made through Mrs. Mosier, 8998 Alpine, La Mesa (HO 6-0774), or through Mrs. Shearer, 7988 La Mesa Blbd., La Mesa (HO 9-1834).

Spaghetti Dinner Set For St. Sophia

The parishioners of St. Sophia Parish will sponsor a spaghetti dinner on Sunday, June 9, from 12:30 to 5:30 p.m. Very Rev. Msgr. Richard R. Daniels, pastor, announced that the full-course dinner will be prepared by cooks with "know how" and promises to be a delicious treat. It will be open to the public and will be served in the Spring Valley Chamber of Commerce building, Bancroft Drive and Memory Lane.

Mrs. P. C. Hamilton is general chairman of the event. Her assistants will be Mrs. James Sorensen and Mrs. Harold Garber, Mrs. P. B. Malavenda is to be chief cook and will be assisted by an able kitchen crew. Mrs. William Hobbs and Mrs. Fred Closson will be in charge of the dining room. The donation is $1 for adults and 50 cents for children.

St. Sophia is the new parish that has been established in Spring Valley, and the proceeds from the dinner will go towards the building program that is starting in the very near future.

WATER DRIBBLED INTO MIXER FOR HID BUILDING

The La Mesa, Lemon Grove and Spring Valley Irrigation District known officially as Helix Irrigation District since El Cajon horned in on membership of the triology and now gets her water from the same source as do the pioneers, held ground breaking ceremonies on May 28 for the new office building, which will be ready for occupancy in four months, and have twice the space of the present headquarters.

President Rube Levy pulled a fast one on Harry Griffen—persuaded Harry to speak a piece about the District, which task Harry performed capably.

Fred Heilbron, secretary of the Water Authority, spoke about the "second barrel" and the $35 million bond election.

Byron Miller introduced members of the office force, ladies and gentlemen and engineers, including the District Tax Collector.

All these introductions were made after Miss Lemon Grove and Miss La Mesa poured two ounces of water from El Capitan and a quart from Colorado River into a cement mixer and turned the handle.

Byron Miller, general manager, told the audience of 50 civic leaders that the district received about 94% of its water from the silvery Colorado via C.W.A.

The district has an assessed valuation of approximately 100,000,000 dollars, compared with an evaluation of $14,529,000 in 1945.

Mrs. Chester Harritt, widow of the late Chester Harritt, who managed the Cuyamaca Water Company for years prior to the District's buying the Cuyamaca Company and its assets, and was manager of the District for years until his death in 1946, was introduced. Mrs. Harritt now lives in Vista La Mesa, just around the corner from her sister.

LETTERS TO THE EDITOR
(Continued)

come leading, truthful, and upstanding citizens, only now it seems to be quite apparent that when they come in contact with persons who tend to undo our ideals of truth and honesty that we, as parents and leaders, have failed to teach hem these values.

How can we convince our children to be truthful and proud of their community, do the right and proper thing, when they see their elders ignore these very truths?

Is the answer to be, be untruthful, cheat, anything as long as you get ahead and gain what want?

I sincerely hope not.

Sincerely,
H. E. Randall, Jr.
7848 Nichol Street.

Dear Editor:

I wish to congratulate this year's committee for the Miss Lemon Grove Contest, and to thank all those who cooperated so generously. Specifically, I would like to thank the judges and the inimitable Mr. Frank Davis, this year's Miss San Diego Contest chairman, who acted as our master of ceremonies and directed our contest. Also, my very deepest thank you to Miss Kathy de Kirby, Miss San Diego for 1957 and our own lovely queen from 1956, Miss Carol Wilson.

More than all the others, I wish to thank the parents of the girls, without whose support there would be no contest.

These contests are established for two reasons, (1) civic prestige and community pride, and (2) to give our local girls the same opportunity girls in other communities have, to help them learn poise, personality and self-confidence that would be impossible for them to learn in any other way.

This year our contest had trouble obtaining entries for Miss Lemon Grove. Other contests similar to ours but county wide in scope had the same trouble of gaining entries. Therefore, as we did last year, we lowered our age limit from 18 to 17, and as last year, from 17 to 16. This lowering of the age bracket was not of much help in gaining contestants; age limit to 15, and the 15-year-old's did an excellent job.

It is our sincere desire to eventually hold our contest in time for our Miss Lemon Grove to enter annually directly into the finals of the Miss San Diego Contest.

This year our contest was held too late for any of our contestants to qualify in the finals of the Miss San Diego Contest. There is a possibility of a girl from our area being sponsored in the Miss San Diego Pageant next year.

There is only one wish the Lemon Grove Junior Chamber of Commerce would like expressed at this time. "We wish that all parents of our girls entering the contest would show as much interest and help when the contest is being organized and planned as they do after it is all over."

Congratulations to our beautiful queen and her court, and to al the wonderful, lovely girls that particicipated in our contest.

Sincerely,
Thomas C. Smith, Jr.
President, Lemon Grove
Junior Chamber of Commerce.

BWL TO 'MAN' CHESTMOBILE AT FAIR

by Sadie Marder

The Lemon Grove Business Women's League last week at an executive board session agreed to "man" the Chestmobile at the County Fair on June 30.

Volunteers so far include Jerry Antoinette, chairman, Doris Chapelle, Eunice Laxdal, Dorothy Louer, Mildred Huebsch, Julia Farle, Ethel Oyler and Jean Woody. The group will be broken into two shifts and while the gals are working, the men will be taking in the highlights of the fair.

The Beautification Committee arranged for a face-lifting for the plaza. Some of the League's funds were spent on weed-cutting along the crosswalks and ditch. More discarded telephone poles will be used as parking barricades as soon as they can be obtained from the Pacific Telephone and Telegraph Company.

Mrs. Huebsch said the County people will soon lay drainage pipe in the plaza area from Broadway to Lester. This project, she says, is holding up further beautification (of the plaza) activities by the ladies.

Dimmer View

(Continued)

into the board records and this, we believe, inspired the board to attempt to call an "executive session".

We think a charge should have been lodged with the district attorney if Betts were so certain he had been injured. The denunciation however, apparently moved board member Frank Armstrong to the extent that he felt impelled to take up the cudgel.

Newspapers must be notified before the board holds regular or special meetings. It is not necessary to do so for an "executive session" provided the session is for hiring or firing personnel, or to hear complaints and charges against personnel. In the latter instance the defendant may request a public hearing. For any other purposes the "executive session" becomes a "secret" meeting.

The Luckel Act denies secret meetings. I would make formal charges if a secret meeting is held. Actually, this meeting was never held because the invited guests refused to testify on advice of counsel. Whether or not it would have been labeled a secret meeting depends upon what direction the board's questions would have taken.

The four employes invited to the meeting had been informed, according to their own official testimony, that the meeting was billed as "informal and friendly". When they appeared they found that they were going to be put under oath, depositions taken by a court stenographer, and Armstrong, an attorney with good court experience, doing the questioning as temporary chairman. They also learned that none of the hearing would be conducted in the presence of more than one guest.

This was not a friendly get-together!

None of these people would have shown up if they had been warned that the affair would be in the nature of an inquisition . . . and I wouldn't blame them.

They were not advised, according to their own testimony, that they were charged with anything. Yet, they were warned by the board that refusal to testify under oath would be considered a "sign of guilt".

Guilty of what?

Spokesman for the board told me the executive session was called to "investigate" political activity. (See story this issue page 1). This investigation, I should think, could have been conducted more impartially by a private investigator with no more cost to the district than that of the court stenographer. If the facts thus gathered indicated guilt, charges could be made, then a hearing could have been held.

This seems a more reasonable approach, and lifts from the board any implication that they are at once the loser of an election; the investigator, the accuser, the jury and the judge.

Two of the board's members have indicated that formal charges of libel might be the outgrowth of the election activities. It is an open secret that some of the 570 persons who voted for Buckner are considering a recall election.

Whatever the outcome of the hassle, the school district will not profit. In the interest of unity the mish-mash should have been buried on election day.

GOP big-wigs have all been invited to a Republican dinner and rally next Wednesday at the Kissell House in La Mesa.

Invitations to the brass, and news releases to the press, informs all and sundry that dinner will be served at 7 p.m. and the cost is to be $2.25 per person.

This week some reddened GOP faces faced the telephone to reveal into some reddened GOP ears that the dinner price had been raised to $2.50 since they checked it last.

Eisenhower inflation?

Note came last week from Mayor of San Diego Charles C. Dail, inviting us, among other county editors, to take a bus trip Friday for a day's tour of the county's various facilities for storing and distributing water, but I may not go.

They did the same thing a number of months ago but it wasn't until this week that I got a report, first-hand, from one of the guests.

Guest was Jerry Daugherty, former foreman of our composing room who is himself now a newspaper editor-publisher in East San Diego. Jerry got aboard the bus on Third Street for the all-day trip, which included refreshments.

Bus took off to the northeast and Daugherty said he thought it a little odd that some of the guys had suitcases. When the bus pulled into Beaumont late in the day, Daugherty had become suspicious. When he limped back to San Diego the next ayem by Greyhound he was weary, mad and miserable. The bus he was to have boarded left from Fourth, not Third St.

It returned on schedule at 5 p.m. after a tour of local water installations. The bus he accidently boarded was on a three-day tour to Colorado for some utilities employes.

THINGS DOIN' & BREWIN'

About Civic Center

By DICK. HENDERSON

Last meeting day was the extreme ultimate date for Veterans to secure their 1957 Exemption of $1,000, provided their property does not exceed $5,000, the lobby of John McQuilken's office was pack-jammed with customers waiting to sign for exemption.

We will probably hear more from those Vets who failed to make the grade after they get their tax bill and the Board refuses, on the advice of County cousel, to grant exemption. (And don't forget that me and John have repeatedly warned y'all, Mr. Finnigan. —D.H.)

Hearing on petition of Elizabeth J. Blundell, et al., for inclusion of certain contiguous territory in the Lemon Grove Fire Protection District. (Approved by the Boundary Commission. The Assessor reports that a search of the assessment rolls indicates that the total assessed valuation of the property located within the bounds of the proposed inclusions is $70,400.00, and said petition appears to be signed by the owners of $67,810.00 of the assessed valuation or 96.2 percent thereof.)

Hearing on appeal of the La Mesa Congregation of Jehovah's Witnesses from the decision of the Planning Commission denying a special use permit for the purpose of erecting a church structure on the south side of Tropico near the intersection of Bancroft, Spring Valley, near Eucalyptus Park, on property in the Grossmont-Mt. Helix Section, now zoned R-1.

SPECIAL DISTRICTS

Construction of sewers in Spring Valley Sanitation District, 1911 Act:

Letters from Department of Public Works transmitting plans and specifications, plat and Engineer's estimate of the costs and expenses; and listing the property owned by government agencies and assessed by the State. Resolution adopting plans and specifications and assessment map and directing the Engineer to perform duties of Superintendent of Streets. Resolution consenting to the construction of sewers in streets.

Resolution requesting recommendation from Health Officer.

Letter from Department of Public Works stating that Robert Green's share for the installation of a sewer in McKnight Drive, Lemon Grove, would be $667.00 and the County's share $1,334.00, if it is the intention of the Board to comply with his request; but that if enough owners sign a petition now being circulated in the area for the installation of sewers to enable the formation of an assessment district along McKnight Drive, under the provisions of the 1911 Improvement Act, Mr. Green's property would be included in the district.

Letter from Department of Public Works submitting and recommending approval and execution of a proposed Agreement between the County and Lemon Grove School District, whereby the District permits the County to install approximately 100 feet of 1½ inch pipline upon the School District's property to obtain water from the District for use of the Lemon Grove Youth Center, the County to pay the School District $10.00 per month for May, June, July and August, 1957, and $5.00 per month thereafter.
